Scroll down and Select the check in and check out date as below,

Rate preference → click corporate special rate to enter corporate ID: 786978433

The screenshot displays the booking form on a dark blue background. On the left, the 'Check In' date is set to 11/08/2024 and the 'Check Out' date is 11/09/2024, both with calendar icons. Below these, the 'Rooms & Guests' section shows '1 room, 1 guest'. To the right, the 'Rate Preference' dropdown is open, showing options: 'Best Available **', 'AAA/CAA Rate *', 'Government/Military Rate *', 'Reward Nights *', 'Senior Discount *', and 'Corporate Special Rate *' (which is selected). Below the dropdown, there is a 'Corporate ID' field containing the number 78697843, a 'Group Rate *' option, and a toggle for 'Are you a travel agent?'. An orange 'VIEW PRICES' button is located to the right of the date fields. On the far right, there are links for 'Manage Reservations', 'Parking & Transportation Details', 'View FAQ', and 'Chat With Us'. At the bottom left, check-in and check-out times are listed: 'Check-In: 3:00 PM', 'Check-Out: 12:00 PM', and 'Minimum Check-In Age: 18'.
